Accident on Heights Hill Fatal to Robert Houser. Driver of Truck Thought Blameless.

Robert Houser, who would have celebrated his eighth birthday yesterday, was killed last Saturday afternoon when he coasted down Newland road into Bow street and under the dual rear wheels of a truck. He was hit by the left rear wheel.

Louis J. De Napoli of 658 Summer street, driver of the truck, was not held by the police but there will be an inquest in the third district court January 29th. An eye witness to the tragedy told the police that De Napoli was not driving over ten miles an hour and that he stopped within four feet of the spot where the truck hit the boy. A truck parked on Bow street at the corner of Newland road obscured the driver's vision.

Chief of Police Archie F. Bullock points out that Newland road

County Treasurer Reports Largest Surplus in Years

Charles P. Howard, treasurer of Middlesex County, and Nathaniel I. Bowditch, Charles C. Warren and Archibald R. Giroux, county commissioners, have announced that at the end of the fiscal year 1942 there was unobligated cash in the treasury of Middlesex County in the sum of \$304,155.41. This balance is the largest in many years. It would be known in private business as a surplus.

This balance is the result of careful management by all departments of Middlesex County. It is especially interesting because Middlesex County in 1942 had the lowest county tax in fourteen years, that is since 1928.

Cubs of Pack 86 Hear Skits on "Do Your Bit"

The regular monthly meeting of Cub Pack 86 was held last Friday evening at the Peirce School with a large number of cubs, parents and friends in attendance.

The boys assembled in the gymnasium as usual at 7:30, under direction of Asst. Cubmaster Paul E. Wilson and marched into the auditorium to music provided by the Webelo Band, under direction of Den Dad John A. Graham, with Cubbs Philip Giffin and Raymond Wilton of Den 3 acting as color bearers. The Salute to the Flag was led by Cubs Richard Stahl, Leonard Lima and Arthur Lansing, who are to graduate into scouting next month.

A letter to Den 3 from an Army chaplain at one of the large nearby camps expressing his appreciation of a good will package sent the camp by the den at Christmas time was read by Cubmaster Edward D. Okerlund, who, in his remarks, stated that this accomplishment on the part of Den 3 was a source of pride to the entire pack.

The following boys were then inducted into the pack as Bobcats: Robert Englund, Robert DeMello, Edward Caterino, Norman Carlson, Charles Breen and Stanton Waite. Arthur Lansing was awarded a Lion Gold Arrow.

There followed five skits by Dens 1, 2, 3, 5, 7, and 9, the theme being "Do Your Bit." These skits, presented under direction of the Den Mothers, had to do with the collection of scrap, how it is converted into weapons for the fighting forces, and also illustrated the various branches of the armed forces. As the pack now consists of 10 Dens it has been decided, in view of the limited time of Pack meetings, to confine these skits to five Dens each month.

The meeting closed with the retiring of the colors and the singing of "God Bless America" by the assembly, led by the Webelo Band.

It was announced that the pack committee had authorized the publication of a pack newspaper to be issued monthly, with Cub William Nelson as editor, and the reporting, advertising and printing departments to be conducted by the boys themselves.

The next meeting of the pack has been put forward to February 12, and will be in the form of a joint meeting with Troop 86, with appropriate ceremonies in celebration of National Boy Scout Week. All parents of cubs or scouts and all others interested in cubbing or scouting are cordially invited to attend. Both organizations are sponsored by the Peirce School Parent-Teacher Association.

There will be performances every evening with bargain matinees on Wednesday and Saturday.

A United Attack Against Common Foes

GIVE ENOUGH . . . SOON ENOUGH to the Greater Boston United War Fund is the least Arlington can do to help win this war on the Home Front, declares Chairman Roscoe O. Elliott (center) to two of his associate chairmen, Benjamin Hickey (left) who is in charge of Worker Training, and Albert H. Perkins who is organizing the local districts.

GIVE ENOUGH . . . SOON ENOUGH Homesick boys on the Fighting Front are desperately watching the care being given their loved ones on the Home Front. The morale of these boys depends directly upon your support here at home of the Greater Boston United War Fund which opens, January 21, its intensive campaign for \$7,800,000.

ARLINGTON'S FUTURE depends upon your support of the Greater Boston United War Fund which not only takes care of its little citizens, but in many other ways helps to build the kind of a community you want your boys in the armed forces to return to.

The community gives-- the community gains

One out of every five persons in Greater Boston receives benefits directly from the United War Fund.

Everyone, nearly two million of us living in the 49 cities and towns that give and share alike, is benefited indirectly. It is a community project. Its purpose is to help all towns, all cities, and everyone who lives in Greater Boston. It serves its purpose well.

- 66% of the patients in Community Fund hospitals—
- 74% of the mothers and infants in maternity homes—
- 49% of the patients in convalescent homes—
- 54% of the children served by child placing agencies—
- 51% of those enrolled in youth agencies—
- are Persons Who Live Outside the City Limits of Boston Proper.

Arlington Organizations supported by the Greater Boston United War Fund are: Arlington Boys' Club, Inc.; Arlington Girl Scouts, Inc.; Arlington Social Service League, Inc.; Arlington Visiting Nursing Association, Inc.; Massachusetts Catholic Woman's Guild, St. James Branch No. 17; Sachem Council, Boy Scouts of America, Arlington District; Society of St. Vincent de Paul, Arlington.

On the War Front--

through the USO, Soldiers and Sailors Committee, War Prisoners Aid and the United Nations Relief Fund, the United War Fund provides essential services to our fighting men. It relieves the despair of our men held captive in enemy prison camps. It puts hope and courage into the hearts of our valiant Allies.

Campaign Starts Jan. 21

On the Home Front--

through 235 Community Fund agencies, the United War Fund guards the health and welfare of the community. It stimulates the will to work and sacrifice for victory. It helps men and women to find hidden skills and talents and trains them to take their place on war production lines.

PUCK CHASERS TIE MELROSE AND HOLD LEAGUE TOP

Fight to Give Coach Downs Victory as Farewell Gift.

Fighting to present a victory to their coach, Lieut. Charles Downs, who leaves today to join the Army Air Corps, the High School hockey players made three goals in the third period of Saturday's Garden game against Melrose, only to have Melrose sink a tying goal within twenty-six seconds of the end of the game. The final score was 5-5.

Arlington still tops the League with Melrose and Medford, tied for second, each only one point behind. Melrose, getting off to a fast start, scored two goals at the beginning of the first period, but before its end Massucco, Arlington's star center, had sunk one, Cooley assisting.

Fast again in the second period, Melrose scored two more before Massucco again came to the rescue, sinking the puck from the red line, making the score 4 to 2. In the final canto Arlington steamed up, making three goals—Malone, assisted by Fife; Sheehan, Massucco assisting, and Massucco, Malone assisting. Score, 5 to 4. This made three goals and one assist to Massucco's credit, one of the best performances of the season. He was in the penalty box for tripping when Cronin of Melrose put in the tying point.

The summary:

Arlington High (5)—G. Bevins; rd. Fife; ld. Sheehan, c. Massucco; rw. Cooley; lw. Malone.

Melrose High (5)—G. Holmes; rd. Corkum; ld. McNamara; c. Cahoon; rw. Cronin, lw. Gardner.

Arlington spares—Byrnes, Wells, Revocoff, Preston.

Melrose spares—Priestley, Forbes, Tibbets, Lloyd, Sterling, Dockrill.

First period—Melrose, Cronin (Gardner) 5:40; Melrose, Cronin (Cahoon) 7:03; Arlington, Massucco (Cooley) 7:08. Penalties—Cahoon, tripping; Massucco, tripping.

Second period—Melrose, Gardner (Cahoon) 2:14; Melrose, Gardner (McNamara—Cahoon) 3:27; Arlington, Massucco 5:47. Penalties—Sheehan, tripping; Sterling, interference; McNamara, charging.

Third period—Arlington, Malone (Massucco) 1:54; Arlington, Massucco (Malone) 8:25; Melrose, Cronin (Cahoon) 9:34. Penalties—Connelly, tripping; Massucco, tripping.

Hungry? Bring on the SOUP!

says Dorothy Greig

MOTHER would say: "There's nothing like a big bowl of good thick soup to satisfy hunger right down to your very toes." (She operated on the theory that chilblains were completely hollow all the way down and must be kept filled up.) At any rate, it's blessedly true at any time, anywhere, that a fine

Clam Chowder-Bisque offers a combination of delicious flavors.

hefty soup is almost a meal in itself—and in these days there's nothing easier to serve. A few cans of soup made with double rich stock and you're all fixed to serve a nourishing soup to hungry man and ravenous youngsters—or to the straggler trailing in after regular meal time who nevertheless clamors for hot reviving food.

Sometimes try combining two or more soups, too. For example:

Clam Chowder Bisque

1 can condensed clam chowder soup
1 can condensed chicken-gumbo soup
2 cans milk (using soup can for measure)

Empty the clam chowder into a saucepan and to it add the chicken-gumbo soup. Then stir in 2 cans of milk. Heat to boiling point, but do not boil. Serves 6-7.

Pepper Pot Potage

1 can condensed pea soup
1 can condensed tomato soup
1 can condensed pepper pot soup
2 cans milk, using soup can for measure

Combine the pea, tomato and pepper pot soups. Then add 2 cans of milk, using soup can for a measure. Heat, but do not boil. Serves 6-8.

**Tells League Need for
Arlington Boys' Club**

Principal A. Henry Ottoson of Principal High West spoke yesterday afternoon at the meeting of the Arlington Circle of the Florence Crittenton League in the Unitarian church vestry, in place of Deane Moores, Boys' Club Director, who was unable to be present. Mr. Ottoson told of the need in Arlington and in every community for a Boys' Club. He described the enjoyment the boys found in it and expressed the hope that his hearers would remember the club when they were asked to give to the United War Fund.

Mrs. Eunice Whiting, accompanied by Miss Marlowe, played a group of violin solos, and accompanying herself, whistled several selections.

Bouillon and crackers and cheese were served by the hospitality committee, Mrs. R. H. Folkins, chairman; Mrs. Arthur Forsythe, Mrs. Ernest Benishmol, Mrs. Guy Sass, Mrs. Richard Howe, Mrs. Everett Cobb, and Mrs. Harrie Dadmun. The room where the meeting was held was made warm and attractive by an open fire and on the tea table were a big bowl of pink snapdragons and white candles.

Red Cross Home Nursing**

Miss Fisher and Miss MacGowan are well known to many Arlington people and the committee feels very fortunate to be able to offer the benefit of their long experience to the women who join their classes. Classes, which are limited to twenty-five, will be organized as soon as a sufficient number of women give their names to Mrs. Charles Mellen, Arl. 2090-W. There is no charge for the course.

ARE YOU A GOOD NEIGHBOR?

Arlington marches forth this week to prove that the famous New England spirit of neighborliness lives. Thursday begins a drive to raise this community's share of the Greater Boston United War Fund. If the goal set is reached, the true heritage of New England lives. Certainly in these trying times no better proof of the supremacy of democracy can be offered. The Axis powers will find an undefeatable challenge in this answer of the American people, as they live and share in a neighborly way.

A population of forty thousand is called to raise a sum of \$33,500, for that is Arlington's goal. And why? you ask. Let us look about us. First there are the boys who belong to the Arlington Boys' Club. Whose sons are they? Yours, mine, and our neighbors, we hasten to answer. Add to these the many Boy Scouts. Certainly you know some of these boys. Nor are the girls forgotten, for the Girl Scouts of Arlington participate in the fund. These activities are a part of community service to provide a true heritage in neighborliness.

In the past generation when illness struck, the neighbors brought in food, visited with the sick, and did chores. Today's demands make it impossible for us to drop our own affairs to do this for our neighbor but we can contribute to the United War Fund. Thus the Social Service League can provide services that demand tact, skill, and training. The Visiting Nurses visit the ill and do much in the way of preventative medicine, a distinct contribution to society at large. Let us not forget the St. Vincent de Paul and the St. James Guild, founded on ideals of charity that reach far into the past. Who knows which of our neighbors have been helped by one or more of these wonderful agencies? And it is true charity if our neighborliness provides for needs, yet does not take away the respect of the receiver. These services are so administered as to strengthen the weak, to encourage the victim so that he may continue as our neighbor.

It was only yesterday that our neighbor's son came in for a cookie. Today he is in the service fighting side by side with our own son, somewhere on the other side of the globe. There are over two thousand sons of Arlington in the service. They still need the friendship of a neighbor—cookies and eats, sociability, and entertainment. Where will they get it? That is the purpose of the U. S. O. to furnish a wholesome opportunity for recreation. Here in our midst, Boston possesses the reputation among the servicemen that it is the best town that they have been in yet. Our neighborhood has grown to include the many boys over our nation. We cannot let them down.

War has brought a sudden realization that there are no barriers to neighborliness. Somewhere over there our boys are on strange soil. Again the U. S. O. seeks to encourage these sons of ours and our neighbors and to render the many services that we would like to do but cannot because of distance. Yet we can support the United War Fund.

Did you read last night that the boy around the corner—yes, that lanky one—has been taken prisoner? It must be a trying situation. Yes, they named it right when they called these prisoners the Barbed Wire Legion. We ought to do something but can we? Yes, we can give to the United War Fund towards the War Prisoners Aid.

But how is this fund collected? It is done in a neighborly way—by neighbors calling upon neighbors. Some four hundred workers of the Arlington organization under the direction of Roscoe C. Elliott, are beginning their calls. It is a democratic enterprise, and 47 other communities of Greater Boston will share in the raising of the \$7,800,000 for the Greater Boston United War Fund.

The appeal of the United War Fund is as wide as the world and hits nearly every home in Greater Boston. It is for the U. S. O. to bring the comforts of home to fighting men; for United Nations Relief to give food, clothing, and medicine to their neighbors the Allied Nations; for War Prisoners Aid to bring the hope of life to the captured Barbed Wire Legion; for 235 Community Fund Hospitals, health, youth, and social service agencies serving the people of Greater Boston.

Let's forget our New England heritage—are you a good neighbor? Will you give enough soon enough?

THEY KNEW RATIONING AND FUEL SHORTAGE

The raising of the siege of Leningrad has turned the eyes of the world on the people of this city. For many months we have given our whole hearted admiration to the men and women who defended Stalingrad. Their grim courage, their readiness to sacrifice both their lives and their material possessions have filled us with wonder. A part of that wonder has been as to whether their—to us—starved lives were worth living.

Leningrad is the answer to that question. Of sheer will to survive, and to survive for life in the way they had chosen, we have seen the equal only in besieged Madrid. The fighting men's ration was a bowl of thin soup and a pound of bread a day. For others there was less bread. Water had to be carried from Lake Ladoga. Under these hardships one and a half million died, but there was no surrender.

It was not only the soup and the bread that gave them the courage to go on when many times it must have seemed far easier to give up, to surrender or to die. "Man", they remembered, "does not live by bread alone". So there was music for them—bands and concerts. Theatres and movie houses were kept open. With the thermometers in their auditoriums nearing zero they listened to the music, watched the plays and drew from them spiritual sustenance.

They knew rationing and fuel shortening as we hope that we—grumbling now because we cannot get butter or a roast of beef for our Sunday dinner—hope that we shall never know it. But if ever we do, we hope that we shall be worthy of our allies, that we shall also prove ourselves able to struggle and to endure, to see the fight through to victory.

SCOUTS REPORT ON

YEAR'S ACTIVITIES

AT ANNUAL MEETING

(Continued from Page 1)

Scouts reported they had made toys and baby clothes for hospitals, provided for Christmas baskets, folded newspapers for hospital dressings, made toys for British children, packed gift boxes for the U. S. O., collected gifts for children in hospitals, made tray favors for Symmes Hospital for every holiday, provided short programs for P. T. A.'s, contributed to the Community Fund, the Juliette Low Fund, and the Minute Maid Victory Fund. The Senior Scouts have been selling stamps and bonds at the Capitol Theatre every evening since early in October—helped with sale of Tuberculosis Seals, delivered meat rationing leaflets and have provided clerical service for other organizations.

These scouts have done these bits of service under the guidance of their leaders. There were 60 leaders who gave of their time and thought to these 618 girls in Arlington. Mrs. Philip Bower reported that these leaders have spent over 4500 hours with these girls exclusive of hours of training. She stated that the job of a leader was most satisfying, while sharing in the work and fun you have a chance to be friend and adviser to tomorrow's citizens. She said it would be a shame to neglect the very thing for which we are fighting—our children and their future.

Mrs. Zigmont Kord reported for the troop committee and expressed a need for many more in the effort to meet the demand of the National Girl Scouts for more Girl Scout troops. President Roosevelt has urged that scouting be extended to more girls.

The outdoor activities of the Girl Scout program were well attended during 1942. Mrs. Harold Yeames reported that 55 girls attended the Day Camp and 187, Camp Menotomy. Both of these camps emphasized simple living, campcraft and resourcefulness in providing ways to make oneself comfortable, healthy and happy out of doors.

The need of leaders was stressed by Mrs. Kenneth Russell in reporting for the council. Many girls who are clamoring for the program have not been cared for because of lack of leadership. The objective of the Council for 1943 is to find leaders to care for the waiting lists.

Mrs. Russell was re-elected as Commissioner, and the following officers will assist her: Mrs. Robert Norris, deputy commissioner; Mrs. G. Howard Allen, secretary; Mrs. Roscoe Elliott, treasurer.

Mrs. Carl Page was elected president of the Leaders' Association and will work with the following: Mrs. J. Philip Bower, vice-president; Mrs. J. Herbert Gunnerson, recording secretary; Mrs. Floyd Zinck, corresponding secretary; Mrs. A. Foley, treasurer.

After the business session Miss Dema Kennedy of Region 1 National Staff spoke on the necessity of scouting in wartime. She emphasized the need for leaders to remain on their jobs because they know how to do it. It would take time to become efficient in another volunteer wartime job.

A group of songs were sung by these Senior Scouts: Rosamond Flentje, Jean Horrigan, Priscilla Morison, Barbara Peters, Rosamond Poole, Eleanor Reed, Jean Russell, and Jean Sullivan. This chorus was directed by Mrs. Justin McCarthy. Refreshments ended the meeting, served by the public relations committee of which Mrs. Robert Norris is chairman.

Seventy Years Ago This Week

Friend Allen is busy with his yearly reports. We find him at all times head over ears in statistics. We heard the other day rumors of his vacating the office of Town Clerk at the end of the financial year. We hope this is not true for a finer gentleman and more trustworthy official, could not be found.

Pound Party.—The Universalist society had a nice time at their Pound Party on Wednesday evening. The pleasant faces on every side betokened the enjoyment each and every one was feeling. The supper was excellent, and the auction sale lively and productive of much fun. The packages, each weighing a pound, brought prices ranging from 50 cents to \$16. The latter price was paid for what proved to be when opened, a baby's rattle and one or two toys, while Hosteller's Almanacs sold for 75 cents a pound.

Real Estate.—Dea. Henry Mott has sold to Chas. H. Crane his residence and 1½ acres of land on Arlington avenue for \$10,000. Mr. M. agrees to open a court 35 feet wide on the easterly side of the lot, running back from the avenue. The depth of the lot, some 525 feet. This will open to builders 5 or 6 eligible sites for buildings.

Dead.—Mrs. Mary B. Hill, who died on the 9th inst., was the oldest person in town, being aged 92 years, 1 month, 10 days. She was the grandmother of Mr. W. H. Pattee.

At noon on Wednesday of this week Mr. and Mrs. B. Frank Durgin, in charge of the Town Farm, entertained at dinner the Selectmen, and heads of departments, consisting of W. D. Durgin, George D. Tufts, Edw. S. Fessenden; assessors, Warren Rawson, Geo. D. Austin, and Leander D. Bradley; water commissioners, Messrs. Alfred D. Hoitt and Geo. W. Lane, Superintendent of Schools J. F. Hall; Chief engineer Charles Gott; Chief of police Eugene Mead; Superintendent of Streets Samuel E. Kimball; Dr. E. D. Hooker. After the dinner the usual inspection of premises followed and all departments were found to be in excellent condition.

Instead of a falling off in attendance at the High School which has been the almost invariable rule of recent years at the end of the first few months of the new year, there has been an increase and the school now numbers 83 pupils.

Mr. H. W. Berthrong of Arlington Heights had on exhibition last week at Williams & Everett's Gallery, Boston, a three-quarters length portrait of Blaine made for the Pine Street State Club. Many of Mr. Blaine's most intimate friends pronounce it his best likeness.

Mr. Samuel A. Fowle has fitted up the "Cutter Mill" on Mill street, recently purchased by him, for the manufacture and preparation for the market of a new patented article in which he has a large interest.

The Fuel Committee called a meeting for Wednesday evening in the Selectmen's room, Town Hall, of all the ministers of the town or their representatives, to present to them the present fuel situation with a hope that some plan could be found whereby coal could be conserved in the churches.

At a dinner party on Monday night, Mr. and Mrs. Frank P. Winn of 19 Russell terrace, announced the engagement of their daughter, Pauline Louise, to Mr. Lucian Wright Mead, son of Mr. and Mrs. Adelbert F. Mead of 27 Jason street, Arlington. As an engagement gift Miss Winn chose a Liberty Bond, that she might help do her "bit" for the country.

William E. Robinson, who is a member of Co. C, 5th Mass., now encamped at Charlotte, N. C., has been selected for a three months course at the regular officers' training camp at Chattanooga, Tenn. Robinson is the son of Thomas J. Robinson, town clerk.

St. John's Reports Show

Year of Unusual Activity

The annual meeting of the parish of St. John's church was held with a good attendance in spite of dimout and auto restrictions. The rector, Rev. Robert Hatch, presided. In his annual report, the first for a full twelve months as rector, Mr. Hatch reviewed a year of unusual activity and progress in the parish.

The reports of the parish treasurer and building fund treasurer showed all current bills paid, final payment on the church building debt and a substantial sum paid on the rectory mortgage. Reports from the Finance Committee, Church School, Women's Guild and Guild Groups, Men's Club, Young People's Fellowship, Galahad Club for Boys, Girls Friendly Society, Altar Guild and choir indicated all organizations to be in a strong position with an enthusiastic and cooperative spirit throughout the parish.

Officers re-elected were as follows: senior warden, James H. Kernan; junior warden, Arthur O. Yeames; clerk, D. Hinckley Currie; parish treasurer, Edward A. Richards; assistant treasurer, Mrs. John L. Wheatley; building fund treasurer, Arthur O. Yeames; auditor, Thomas M. Mott; vestrymen for three years, Albert Corbridge, Joseph E. CHURCHES OF CHRIST, SCIENTIST

"Truth" is the subject of the Lesson-Sermon Sunday, January 24, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The Golden Text is: "Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name" (Psalms 86:11). Other Bible citations include: "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her: and immediately she was made straight; and glorified God" (Luke 13:11-13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Truth casts out all evils and materialistic methods with the actual spiritual law,—the law which gives sight to the blind, hearing to the deaf, voice to the dumb, feet to the lame" (p. 183).

UNIVERSALIST NEWS

Lyman Judd, 25 Appleton street, was elected president of the Patterson Fellowship at the annual meeting last week held at the Needham home, 10 Winthrop road. Mrs. Robert Spence is vice-president; Robert A. Moore, treasurer; Lois Mead, secretary, and Gertrude Heseltine, program director. The next meeting will be held April 12.

The character and versatility of Rev. Thomas Whittemore (1800-61), first pastor of the Universalists in this town, was the subject of an interesting sermon by Rev. Laurence Barber, who appeared in the Universalist pulpit last Sunday in an exchange with Mr. Rice. Reading selections from Whittemore's autobiography, Mr. Barber pointed out that this noted Universalist of the past century was not only an itinerant preacher and the able editor of the Trumpet and Universalist Magazine, but also found time to be president of the Cambridge Bank, a member of the legislature, and the president of the Vermont and Massachusetts Railroad.

David L. Peirce will preside at the 102nd meeting of the First Universalist Society in the vestry at 2 p. m., next Sunday following a chicken dinner for which many of the church families have made reservations.

The police, he says, have always had trouble with streets that are good for coasting and have urged that children be kept away from those that are not posted. It was more than a year since there had been an automobile fatality in town.

Robert was the son of William and Helen G. Nolan Houser of 16 Newland road. He had lived in Arlington all of his life. The Housers have two other children.

The funeral was held Tuesday morning from the Daniel F. O'Brien Funeral Home. A high mass of requiem was celebrated in St. James' church. Burial was in Mt. Pleasant cemetery.

ly scheduled for the school auditorium. The January meeting was for January 26th and will be dropped entirely, while the February meeting will be held as an afternoon meeting on the same day as originally planned.

Last Friday evening the first pack meeting of recently organized Cub Scouts was held by Scoutmaster Theller with Mr. Hollis, commissioner of Sachem Council, as guest speaker. About thirty boys enrolled in the various groups were awarded different honors for completed work. The boys then presented group entertainment which was most interesting to the parents who were present.

Catholic Woman's Club to Cancel Two Meetings

The Arlington Catholic Woman's Club held its regular business meeting at the American Legion Hall last Wednesday evening.

For patriotic reasons the members voted to cancel their next two regular club meetings.

Chester H. Robinson of Belmont addressed the club in behalf of the Greater Boston United War Fund.

The drive for more blood plasma and the growing need for it was told by Miss Anastasia Kirby, assistant director of the Red Cross blood donor center.

At the close of the business meeting, Alvin B. Lynch entertained the club for an hour with delightful pictures in technicolor of Jasper Park, Canada.

There will be no regular meeting of the club until February 24th.

Locke School P. T. A. Holds Afternoon Meeting

Miss Dorothy Cyr, Red Cross Nutritionist for Arlington, came to the aid of the Locke P. T. A. mothers with many ideas and suggestions for butter and meat substitutes, at the meeting last Thursday.

Due to the rule against evening use of school buildings during this fuel shortage, the meeting was held in the afternoon, and the very small children of members were cared for in a playroom.

Miss Carol LoCascio, a pupil of Mrs. Hackett, entertained the meeting with some charming readings, and Mrs. Donald Trenholm and her hospitality committee managed to serve good refreshments in spite of problems of rationing.

American Legion to Hold One Meeting a Month

In the absence of Commander Miller, who was confined to his home with a severe cold, the last Post meeting was conducted by S. V. C. Charles Berg. Because of the oil shortage it was voted to carry on the business of the Post with only one meeting a month until further notice—the one meeting to be held on the second Tuesday.

The Post voted to contribute \$25.00 to the Greater Boston United War Fund.

Two new veterans of World War II were admitted to membership in Post 39: Roger H. Anderson, 10 High Haith road, and Joseph X. Cochrane, 87 Everett street. The oath was administered by Dept. Vice-Commander John L. Delay, who also spoke on the duties of all Legionnaires to help and care for the sick and wounded comrades. Remarks of welcome were given by Chaplain Rev. John Nicol Mark. Any veteran of World War II with an honorable discharge is entitled to membership in the American Legion.

and already advertised to be held at the Copley Plaza Hotel in Boston has been cancelled. The banquet, usually attended by about 1200 Legionnaires and guests, was cancelled due to the meat and butter shortage and the automobile ruling of the O.P.A.

Frank Lane, chairman of the wood choppers committee, gave an excellent report and stated that due to the extreme cold weather the activities had ceased.

P. C. Buckley, chairman of the Town Honor Roll committee, reported that much progress is being made and the Honor Roll would be erected very soon.

J. V. C. Elmer Scribner, reporting for the sick committee, stated that Comrade Chalmers Staples is ill at the Symmes Hospital.

Our former Adjutant, James J. Toner, now serving in the Navy as a C.P.O., stationed at Smith College in Northampton, frequently spends a week-end at home. It is hoped that he can spare time soon to visit a Post meeting.

Members of the Post who donated blood to the Red Cross in November have received cards for another donation. It is hoped that everyone will invite a new donor for this good cause.

Calvary Women Hold Meeting at Parsonage

In the interest of conserving all the fuel possible, about fifty members of the Women's Society of the Calvary Methodist church met at the parsonage on Linwood street last Thursday evening, instead of at the church as in the past.

Their meeting opened with a brief devotional period under the direction of Mrs. Everett Watt.

Mrs. George Butters then introduced the speaker of the evening, Miss Sigrid Bjorkland, who told of her experiences while a teacher in China some years ago. She related many interesting points of which her attentive audience had hitherto been unaware concerning the arduous work of the missionaries in that country, especially now, when bombings make it so difficult for them to continue their tasks. She told how China is progressing despite war—how they are ever building, and even moving homes and industries further inland to escape bombardment; of the care of war orphans under the guidance of Madame Chiang Kai-shek, and their education. Foods are scarce there, and those available are expensive. More pork is used than beef—the latter being very costly. Chickens are eaten, and of late rabbits have been raised for consumption. Everything is used to the utmost—to give an example: peanut oil is used for lighting many homes. Disease and plagues are widespread, and to complicate matters, facing this, is a very serious shortage of serums with which to fight these sicknesses.

Truly, the lives of missionaries in China are filled with dangers these days, but, in spite of this, it is most gratifying to them when, in return for the great work they are doing, they have the deep affection, understanding and appreciation of the people. Miss Bjorkland spoke of the splendid bond of friendship between the United States and China, and how this tie was becoming stronger through love and sympathy for each other.

At the conclusion of this brilliant talk, the women held a business meeting, and reports of the officers, as well as circle representatives were heard.

and the New High School systems and the Library trustees are having the Robbins Library surveyed. The Public Works Department also is having a survey made of their building at 1083 Massachusetts avenue, so in the plan are included all town buildings heated by oil.

The forty-five per cent cut in the fuel oil ration of public buildings includes not only those owned by the town but theatres, stores and office buildings—everything except residences. The coupons must be returned to the rationing board by the 25th to be cut to fit the new specifications.

Auxiliary Police News

The regular monthly assembly of the Auxiliary Police will be held next Monday evening at 8 o'clock at the Junior High East on Foster street.

The speaker will be Hammond Douglas, Jr., who was with the American Field Ambulance Service at the Libyan front and some very interesting experiences are expected to be related. A picture, "Rescue Work", has also been secured. This will show the work done after an actual air raid in London.

A newly formed committee has been appointed in connection with the Auxiliary Police work. This committee, known as the Activities Committee, consists of a member appointed from each of the five platoons: Edwin Brown, 1; Corp. Washburn, 2; Sergt. Nicksay, 3; Corp. Clerk Hearsey, 4; Sergt. Daley, 5; Lieut. Berg of the Staff, and Lieut. Daniel P. Barry as chairman. The purpose of this committee is to plan for meetings which are conducted weekly by the organization. Suggestions from the individual members are given and if found to be of value, are put into effect. As a result of this set-up, two very interesting meetings have been held during the past week.

At Platoon 2 last Monday evening, Herbert Cronin, a member of that platoon, gave a most interesting talk on "Observation and Identification," telling of its great importance to the auxiliary officers.

Rudolph Regut also gave a demonstration on Self Defense and the art of physical instruction which was greatly enjoyed by the members.

Because of the interest displayed in this program, Mr. Cronin visited Platoon 1 at the Senior High School and reported his talk, which proved most interesting to the group.

Ration Coupon Banking In Effect Next Wednesday

"Ration coupon banking," a new type of banking service for retailers and wholesalers of rationed commodities, designed to make the nation's ration program work more effectively, will be inaugurated here next Wednesday, it is announced by the Arlington National Bank.

This is a war service that the government has asked the banks to undertake under which wholesalers and the larger retailers will be required by the Office of Price Administration to open "ration bank accounts" in the banks with which they customarily do business. Into these "ration accounts" the wholesalers and retailers will deposit the ration coupons received from their customers against which they will draw special "ration checks" when ordering new supplies. It is expected that only the retailers whose food sales in December, 1942, exceeded \$5,000 will be directed by the Office of Price Administration to open "ration" accounts. No charges of any kind will be made by the banks for this service.

Consumers such as housewives, motorists, and other individuals who purchase rationed commodities for consumption will not be affected by the new "ration coupon banking" system. They will continue to obtain their ration coupons from local ration boards and they will continue to "spend" their coupons at the stores just as they have been doing in the past.

The banks will have nothing to do with the fixing of ration allotments or allowances, or with the issuing of ration coupons. The local ration boards will continue to perform these functions.

The new "ration banking" system will not affect the regular money or check accounts of the public at all. The public will continue to use their bank accounts in the customary way.

Rationing is designed to secure a fair share of scarce commodities for everybody. Ration coupon banking is designed to help bring that about. In undertaking to operate this new "ration coupon banking" system the banks will perform a nonprofit war service for the government. In doing this, the banks are simply adding another service to the numerous war jobs they are already performing.

HAVE YOU WRITTEN TO MOTHER?

By JANE RONALSON

Pray, may I ask you, worthy lad,
Whose smile no care can smother,
Though busy life throbs round about,
Have you written home to mother?

You are fast forgetting, aren't you, quite
How fast the weeks went flying:
And that a little blotted sheet
Unanswered still is lying?

Don't you remember how she stood,
With wistful glance at parting?
Don't you remember how the tears
Were in her soft eyes starting?

Have you forgotten how her arm
Stole round you to caress you?
Have you forgotten those low words:
"Good bye, my son; God bless you?"

Oh! do not wrong her patient love;
Save God's there is no other
So faithful through all mists of sin;
Fear not to write to mother.

Tell her how hard it is to walk
As walked the Master, lowly,
Tell her how hard it is to keep
A man's life pure and holy.

Tell her to keep the lamp of prayer,
A light, a beacon burning;
Whose beams shall reach you far away,
Shall lure your soul returning.

Tell her you love her dearly still,
For fear some sad tomorrow
Shall bear away the listening soul,
And leave you lost in sorrow.

And then, through bitter, falling tears,
And sighs you may not smother,
You will remember when too late
You did not write to mother.

Editor's Note:—This poem was sent in by Mrs. Mary Vento of 74 Rhinecliff street, whose favorite it has been for many years. Mrs. Vento hopes that it may remind some son, who perhaps has been careless, to write to his mother.

Places Russian Stamps In Library Reading Room

The frame of Russian stamps which H. A. Jenks, president of the Arlington Stamp Club, has recently placed in the main reading room of the Robbins Library, shows singles and blocks of stamps issued under the Empire and blocks issued under Soviet rule. Among the former is the Romanov tercentenary issue of 1913 showing portraits of various rulers of Russia.

A small imperforate set comprises the short-lived issue for the Army of the North under General Yudenitch and in use only from September through December, 1919. A block on the right is of the issue of 1938 in commemoration of the conquest of the North Pole by the Soviet Union and shows the four airplanes en route from Moscow to the North Pole.

On the left is a block of one of the four values issued and sold at one kopeck above face, this extra amount being devoted to charities connected with the war of 1914-1918. The portrait is that of Ilya Murometz, a legendary Russian hero. The two stamps in the lower right corner are especially interesting as they were issued for use as paper money but, contrary to regulations, were often used for postal purposes.

The United Nations fight for freedom exhibit has been removed to the children's room and is displayed there.
